Online Theft Class

Offender Solutions™ Inc. is a evidence based home study program for theft offenders. Offender Solutions™ Inc. believes that people are individually responsible for their own behaviors, however we also believe that often times offenders make these choices based on misconceptions and/or inadequate information. We believe that Every Problem has a solution and Every Offender Deserves a Chance. We at Offender Solutions™ Inc. deal with the issues from the offender's point of view. We are a outcome oriented program specializing in theft behaviors. Because the specialized field of theft is rare, finding a high quality program for your offender is difficult. We however, offer you two solutions to utilize with all of your offenders.

On average it takes 8 hours for a client to complete the program. You can check on their status at any time.

Option 1: Online Course

Through email consultations, the counselor will guide the client through readings, assignments and practical applications. This course does require Internet Access. You refer the client to www.offendersolutions.com, the rest is up to them, when the offender completes the program we mail you written notice of their completion.

Fee: \$55.00 (paid by client)

Option 2:

Correspondence Course (Workbook or CD)

The Correspondence course is a workbook or downloadable CD which clients work through. Clients use postal mail to return their answers to their assigned counselor. This class is appropriate for those who do not have access to a computer or internet connection. You provide them our phone number, they are responsible for the rest. Upon successful completion we mail you written notice.

Fee: \$75.00 (paid by client)
